

Report to the Kentucky Library Association Board
Library Awareness Committee
Louisville, Kentucky
March 3, 2012

I wrote the Spotlight article for the Winter edition of *Kentucky Libraries* on Emmalee Hill Hoover.

I promoted Kentucky Libraries Legislative Day by sending out information and reminders on the KLA list serve.

I have passed on information from the ALA Advocacy Office to the KLA List Serve.

I sent out an initial email about the ALA Legislative Day and Lori Harlan from KDLA is again arranging the registration for the KY delegation.

License Plate Update:

On February 2, 2012 Linda Kompanik sent the following message:

"I am proud to let you know the applications and checks for the specialty license plate are on their way to Frankfort!" SIDE NOTE: My check was cashed so I take that as a very good sign that we are on our way.

Respectfully submitted,
